You will learn in a relevant meaningful way with realistic and useful learning resources.

Your handbook contains important information about services provided, your rights and responsibilities, fees and refunds, complaints and appeals. It is a requirement that you read and understand this information before enrolling. If you have any concerns about your ability to undertake and complete a course, we encourage you to call our Head Office where our experienced team will offer you sound advice on how you can be supported through your course

By enrolling into a course with PTA, you hereby agree to all PTA's Policies and Procedures.

ACCESS AND EQUITY

The implementation of education and assessment processes within Property Training Australia is based on the principles of social justice, access, participation, equity and equality.

PTA has a client-focused approach to ensure processes and educational products and services meet students' specific needs:

- Provision of opportunities for students to participate in quality vocational education and training, and in associated decisions that impact on their learning;

- Promotion of processes that ensure the right of equality of opportunity without discrimination;
- Fair allocation of resources to ensure access and equity for all.

LEARNERS' RIGHTS AND RESPONSIBILITIES

Copyright

All material issued by PTA is covered by copyright. Written permission from PTA is required prior to photocopying materials for purposes other than individual educational purposes within PTA.

Drugs, Alcohol and articles considered dangerous

PTA prohibits the consumption of alcohol, or being intoxicated, during the course, use of, or under the influence of, illegal drugs and the possession of prohibited or dangerous articles.

Cheating or Plagiarising

Students found to be cheating or plagiarising in assessments will be marked 'Not Competent' line with misconduct.

Misconduct

Misconduct of a student in a training context is any behaviour which:

- Disrupts the learning of others
- Prevents trainers from performing their duties
- Endangers the health and safety of our trainers, clients, guests or learners
- Interferes with the conduct of PTA Training operations

Examples of misconduct are, but not limited to:

- Verbally or physically abusing another trainer, guest or learner
- Stealing whilst on a course
- Defacing equipment or venues
- Non-payment of fees
- Failure to progress
- Cheating or plagiarising

Misconduct will be managed in line with the Disciplinary Policy.

DISCIPLINARY POLICY

All learners of PTA are expected to take responsibility, in line with all current workplace practices and legislation, for their own learning and behaviour during training and assessment.

Any misconduct or breach of discipline will result in the client being given a verbal warning and offer of support by the College (if required) in an endeavour to remedy the situation. Further breaches will result in the client receiving a written warning and having to 'show cause' in writing as to why they should not be excluded from further participation in the course. At this stage, the College will offer to arrange a face-to-face meeting with the student to discuss the matter and agree on any resolution strategies. Students will have twenty (20) working days to remedy the situation (apart from situations that place other learners, College staff or property in danger; which will result in immediate cancellation of enrolment). If after twenty (20) working days the issue has not been resolved the College may cancel or suspend the enrolment of the student without further notice.

STUDENT SUPPORT NEEDS

Prior to enrolment and/or at commencement, whichever comes first, the College determines the support needs of individual learners and provides access to the educational and support services necessary for the individual learner to meet the requirements of the training product as specified in the Training Package.

The primary mechanism for student support is through the CEO who is responsible for responding to requests for assistance from students.

Students requiring additional assistance will be referred to the appropriate College staff member or to an appropriate external support provider if this is considered appropriate.

To ensure fair and equitable access to educational opportunities so that no learner is at a disadvantage, Property Training Australia will aim to provide, based upon resources and organisational priorities, appropriate arrangements for students with:

- Language and Literacy requirements
- Hearing Impairment
- Visual Impairment
- Physical Impairment
- Intellectual Impairment
- Learning Disability
- Mental Health requirements

Although there is no charge for referral, the cost of any external organisation providing learning support to the student in any of the above areas will be at the expense of the student.

Language, Literacy and Numeracy (LLN)

PTA aims at all times to provide a positive and rewarding learning experience for all of its students. The enrolment form requests provision of information regarding each student's English requirements or any other special learning needs. In the event of LL&N becoming an issue, the College will contact the student to discuss their requirements.

Students must ensure that they have discussed any concerns they may have about their capacity to participate because of any Language, Literacy or Numeracy difficulties or any other issue, prior to enrolment and throughout their course with their trainer or CEO. PTA will respect and maintain privacy at all times and are able to offer to any student an LLN exercise to ascertain suitability for enrolment into a course.

PTA will make every effort to ensure that each participant is adequately supported to enable them to complete their training.

Disagreements and misunderstandings

Disagreements and misunderstandings happen to all of us from time to time. Whether the situation is between students, or trainers, or between a student and a trainer, rarely is a situation so bad that it cannot be resolved to the satisfaction of all parties. Students can find out about all available actions by speaking with their trainer, administration staff or the CEO.

Confidential help and support will be provided at each step of the process. If you are unhappy with academic decisions or any issues directly related to the successful completion of your course, you may wish to discuss a problem, lodge a written complaint, or access independent mediation to resolve a dispute. The process for this is outlined in our Complaints and Appeals policy in this Handbook.

Welfare and Guidance

PTA wishes to ensure that all students are supported in their studies to the fullest extent possible, thus any student who is experiencing any difficulties with their studies should see their trainer, or another member of the College staff.

Furthermore, students seeking advice on Welfare or Guidance on other matters may make an appointment at any time to see their trainer or CEO for free advice relating to study on:

- managing time
- setting and achieving goals
- motivation
- ways of learning
- coping with assessments
- looking after yourself

We will also provide free support to access a qualified counsellor if requested by the student. Any costs are to be borne by the student for this service.

Orientation Program

An orientation session will be conducted by the College prior to any student commencing their course. The Training Manager will generally conduct the orientation session which will cover the following:

- Welcome and orientation
- Outline of course details
- Student rights and responsibilities
- Health, safety, security and privacy
- Student services and support needs

1. The course title including a list of all units of competency (Code and Title) included in the course
2. Course duration
3. Course delivery location/s
4. Mode of delivery e.g. face-to-face, on-line
5. Course pre-requisites (if applicable)
6. Course entry requirements (if applicable)
7. Course Fee
8. Any work placement arrangements (if applicable)
9. PTA's training, assessment and certificate issuance obligations

The above information will usually be provided to a learner on the PTA website directly and in the form of a confirmation email.

Where the services provided to learners enrolled in courses by PTA change, PTA will advise learners as soon as practical.

UNIQUE STUDENT IDENTIFIER (USI)

The USI is issued by the Australian Government and must be kept private. It is linked on a national database to the qualifications students complete while studying in Australia so that they will always have a record of what qualifications they have completed.

All students must apply for a Unique Student Identified (USI) when they commence training in Australia.

PTA cannot issue a Certification to any student unless they hold a USI. This includes Recognition of Prior Learning (RPL). Refer www.usi.gov.au. Students will be able to access their records online, download them and share them with future training organisations electronically. With the student's permission, training organisations will be able to see their students' entire nationally recognised training record commencing with records collected in 2015.

Once a student creates their USI they will be able to:

- Give their USI to each training organisation they study with;
- Give their training organisation permission to view and/or update their USI account;
- Give their training organisation view access to their transcript;
- View and update their details in their USI account;
- View online and download their training records and results in the form of a transcript;
- Control access to their transcript.

Training organisations should record a USI for their students at the time of enrolment. However, they must ensure that they have recorded a valid USI for each student when they report on training activities or issue an AQF certification document, such as a qualification, statement of attainment or testamur. Training Organisations need only create or verify a student's USI once.

The “Student USI Fact Sheet” may be provided to students to assist them when creating their USI numbers. This is located at www.usi.gov.au.

Any USI Consent Forms must be kept in student files.

No USI or Student ID numbers are to be included on the Certifications. To meet the legal requirement for the USI to be used only for the purpose for which it was intended, the USI should not be on the Testamur or on Student ID Cards.

The USI application is to be completed by the student prior to or at orientation.

For information on privacy and your Unique Student Identifier, refer to the Privacy Policy in this Handbook.

COURSE INFORMATION

Course details, locations, durations and times are all located on our website. You will also receive a confirmation by email informing you of these details. In the unlikely event that there are any changes to your course information, PTA will inform you immediately in writing.

All learners are individuals and may progress at a different pace. This will also depend on your previous employment experience, personal experiences, prior learning, learning style and any real estate or related experience you have had. PTA will support you to ensure you maintain course progress and complete your studies within the times allowed.

Classroom

Each student attending classes will sign an attendance sheet. If you are unable to attend your scheduled class you must advise Head Office (by email) prior to the commencement of training to discuss re-scheduling. This may require you to pay an additional fee of \$50 for each unit that needs to be rescheduled. Refer to 'Fees' section in your Student Handbook.

Online

Each student studying online will have access to experienced trainers and assessors in the event you experience any difficulties or have any questions.

To study online requires self-discipline, good time management and motivation. Please discuss this option with PTA if you have any concerns about your ability to successfully complete your training through this method. Online students are expected to progress through their course and complete assessments in a timely manner. Refer to the Assessment section of this Handbook for details. Our Learning Management System will flag students who are not progressing and if so, PTA will contact you directly to discuss your options. You may transfer to a classroom based course at any time, however pro-rata fees paid for tuition already delivered are forfeited and you will be required to pay a non-refundable \$100 administration fee along with required course fees. All transfers are subject to course availability. Refer to 'Fees' section in your Student Handbook.

Prior to enrolling please discuss your employment prospects and aspirations with our staff to ensure the course you enrol in is best suited to you. PTA do not guarantee any employment outcomes.

Also, if you are requiring a license check your eligibility and suitability with Queensland Office of Fair Trading, Tel: 137468. QldOFT eligibility criteria mandates units of competency to be held and also addresses age, criminal history, bankruptcy and any previous license or registration cancellations that may apply to you.

ASSESSMENT

Assessment of skills and knowledge is an integral part of each training course delivered by Property Training Australia. Assessment is undertaken to determine whether a student is competent in all the requirements of each particular unit of competency within a training course. Assessment may be carried out in a variety of ways: written tests; written assignments and projects; completion of forms; role plays; group discussions; short answers questions; and multiple-choice questions.

Where students undertake classroom-based training, some assessment may occur during training sessions. Students are also supplied with assessment tasks which are to be completed in specified time frames and returned to the College.

Assessment in an online course is conducted via computer-based tasks which are uploaded into the learning system when completed. These tasks are then accessed online by PTA's assessors. Students will be supplied with assessment tasks which are to be completed in specified time frames and submitted online.

Reasonable Adjustment

PTA takes all steps to ensure student needs are identified and supported throughout their training. If a student requires an alternative form of assessment due to any problem they may have with literacy or physical constraints, our trainers and assessors are able to identify this and discuss alternatives with you.

Classroom based courses

Students undertaking training in all courses are permitted sixty (60) calendar days from the end of the course to submit all assessment.

Online courses

Students studying online have six (6) months from the date of enrolment to complete their course.

Students who have not logged into the course within one (1) month of enrolment and/or who have not submitted any material or assessment within one (1) month of the initial login, will be contacted by their assessor to determine if they require any additional support to ensure progression through their course and to agree on a timetable for progression.

Clients may apply for an extension the course is not completed within the nominated time frames. An application for an extension must be made in writing and cannot be for a period greater than 3 months. Refer to our Refund Policy for details.

Re-Assessment

Two (2) re-submissions are permitted for each assessment task and this procedure applies to all courses. Following the issuing of a resubmission request, a student has 10 working days in which to present work for further appraisal, at the discretion of the individual trainer. If a student is still Not Competent after exhausting their assessment re-submissions they are required to re-enrol in the unit(s) and pay all applicable fees.

Students are advised they have the right to appeal any assessment decision given.

CREDIT TRANSFER

Where a unit of competency issued to a learner is the same Code and Title as that offered by PTA, the College will provide a Credit Transfer. This will include superseded equivalent units, provided that currency can be established. Verified or certified transcripts must be provided, which will be authenticated by the College.

RECOGNITION OF PRIOR LEARNING (RPL) & RECOGNITION OF CURRENT COMPETENCE (RCC)

Recognition of Prior Learning (RPL)

RPL is the process by which individuals can have their prior qualifications, formal and informal learning recognised formally through assessment without the learner having to complete training in that particular area, unless identified through the RPL process.

Recognition of Current Competence (RCC)

Recognition of current competency applies if a client has previously successfully completed the requirements for a unit of competency or module and is now required, (e.g. by a licensing authority) to be reassessed to ensure that the competence is being maintained (currency). In this case no extra skill or competencies are nationally recognised.

RPL Process

The recognition of prior learning process (RPL) process acknowledges skills and knowledge gained through:

- formal training conducted by industry or educational agencies in Australia or overseas;
- work experience (informal training) and/or
- life experience

An assessor with industry experience will be available to provide guidance and support to clients seeking RPL.

Stages of the RPL Process

The RPL process will include the following stages:

1. Inquiry
2. Information
3. Initial support and counselling
4. Application
5. Learner support
6. Assessment
7. Post-assessment guidance
8. Certification

COMPLAINTS/APPEAL

Students have the right to express complaints, concerns or dissatisfaction with any element of Property Training Australia's operations including administration, training and assessment, and other students' behaviour, without adverse consequence. The College is committed to providing a fair and equitable process for dealing with student complaints/appeals. In the event that complaints or appeals cannot be resolved internally, Property Training Australia will advise students of the appropriate authorities where further assistance can be obtained.

To access either the Complaints or Appeals process students will complete the Complaints / Appeals Form located on the Property Training Australia website.

The College will advise students in writing if it considers more than 60 calendar days are required to process and finalise any complaint or appeal, including the reasons why; and provide regular updates to the student.

Complaints Process

Informal Complaint: A student should firstly attempt to resolve the problem with the individual staff member responsible for the issue.

Formal Complaint Process: If the complaint is not resolved informally, the complainant must lodge a formal complaint using the Complaints / Appeals Form located on Property Training Australia's website. This will result in a meeting being arranged in an attempt to resolve the issue within five (5) working days of notification of the complaint. Students are welcome to bring a representative to this meeting, should they wish to do so.

Whilst this conciliatory procedure is being followed, the student will continue to participate in the educational services offered by the College and, if necessary, a student will be given alternative means to continue such participation to ensure that he/she is not unduly disadvantaged.

Following the outcome of a formal complaint, the College must immediately implement the decision, convey the outcome to the student in writing, place a copy of the documentation on the student file and undertake any improvement actions arising from the complaint.

Appeals Process (including Assessment Appeals)

Appeals may arise from a number of sources including appeals against assessment, appeals against discipline actions, and appeals against decisions arising from complaints. The essential nature of an appeal is that it is a request by a student to reconsider a decision made by the College. The appellant must lodge a formal appeal using the Complaints / Appeals Form which can be located on Property Training Australia's website. The appeal resolution phase with

commence within five (5) working days of the internal appeal being lodged and finalised within ten (10) working days of commencement of proceedings.

A student's enrolment will be maintained whilst an appeal is in progress and the outcome has not been determined.

Internal Appeals Process: Internal appeals (except assessment appeals) will be heard by an independent Appeals Panel. No member of the Appeals Panel is to have been directly involved in the complaint leading up to the appeal.

Internal Assessment Appeals Process: A student has a maximum period of ten (10) working days from date of assessment in which he/she can appeal against results. Students appealing an assessment decision (including RPL) will be given the opportunity to have their assessment evidence validated by a 2xperson independent Assessment Appeals Panel. Costs of reassessment subject to an appeal will met by the College. Only one (1) assessment appeal will be allowed per assessment.

External Appeals Process: If the resolution of any Internal Appeal fails, then the matter can be taken up with an independent mediation and conciliation service, arranged by the College, that will seek a meeting of all parties. The agreements reached at this meeting will be faithfully adhered to by Property Training Australia. The College will pay for costs of mediation.

If, at this phase an outcome cannot be achieved then the student will be asked to contact the Queensland Training Ombudsman www.trainingombudsman.qld.gov.au Freecall: 1800 773 048; the Resolution Institute <https://www.resolution.institute> Freecall: 1800 651 650 or other recognised external body of the student's choice.

Following the receipt of the outcome of an internal or external appeal the College must immediately implement the decision, convey the outcome to the student in writing, place a copy of the documentation on the student file and undertake any improvement actions arising from the appeal.
