Classroom training is offered day and night across Queensland and NSW and it is important that you refer to the timetable located on our website when enrolling to ensure you choose the correct location, date and time suitable for you.

Students studying **online** will need access to Janison Learning Platform. There are certain timeframes attached to the online delivery component which are set out in your Student Handbook. This is to ensure you **progress** through the course and successfully complete your certification in a **timely manner**. Our systems flag any students who are having difficulty with their progression and if so, we will make contact with you to see how we can help.

All students are able to lodge a **complaint or appeal** (including assessment appeal) if they feel they are being unfairly treated. Your Student Handbook contains information on this process and PTA will assist you in any of these matters.

All accredited Training Organisations must record a Unique Student Identified (**USI**) for each of their students at the time of enrolment or prior to completion. PTA cannot issue a Certification to any student unless they hold a USI. This includes Recognition of Prior Learning (RPL). Refer www.usi.gov.au.
